

Communications Solutions UK Limited
Agreement for the supply of
Code Software products and services

End User License Agreement

Communications Solutions UK (CSUK) supply Code Software UK Limited's products and services under Code Software UK Limited's End User License Agreement (EULA).

This Agreement is on the Code Software Website at [End User License Agreement - Code Software](#)

Support

Should you ever need to log a support issue, you should raise a ticket with the CSUK Support Desk in the first instance.

Privacy Policy

In order to provide the service, Code Software UK Limited will hold certain information about you. The Code Software Privacy policy is also on their website at [Privacy Policy - Code Software](#)

By agreeing to use the Code Software UK Limited's product and services that CSUK supply you consent to these terms.
